

Instructions for Form SEMAI

1. **Obtain the SEMAI Data Sheet.** The SEMAI Data Sheet for the current year provides a one-page list of information needed to complete Form SEMAI. The SEMAI Data Sheet is available from the Fresno County SELPA.
2. **Determine Adjustments for Charter Schools.** Do you have a Charter that is part of the district, as the Authorizing LEA, for Special Education purposes? If yes, is the data to CDE in SACS separate from the Authorizer? If yes, collect the special education expenditure data by SACS Resource and Major Object from the Charter.
3. **Identify Exempt Reductions.** LEAs may use qualifying exempt reductions to reduce the level of State and local funds, or local only funds. If the LEA has such qualifying exemptions, complete the appropriate sections of the “Exempt Reductions Worksheet.” Note that all exemptions must be supported with documentation to justify the reduction in expenditures. [Learn more here.](#)
4. Select the **Fresno County SELPA:**
 - a. In SACS, select “Forms,” and “Supplementals.”
 - b. Select “SEAS – Special Education Revenue Allocations Setup (SELPA Selection).”
 - c. Enter “BE” in the box beside “Selected SELPA.”
5. In SACS, select “Reports,” then “**SEMAI** Special Education MOE – Projected vs. Actual Comparison” report.
6. Select the “**LEA Projected**” Tab.
 - a. Using the “SEMAI Data Sheet” sheet, find the LEA’s Unduplicated Pupil Count and enter it in the upper right corner of the screen.
 - b. Enter any adjustments for charter schools, as appropriate, in the “Adjustments*” column.
7. Select the “**LEA Actual**” Tab.
 - a. Using the “SEMAI Data Sheet” sheet, find the LEA’s Unduplicated Pupil Count and enter it in the upper right corner of the screen.
 - b. Enter any adjustments for charter schools, as appropriate, in the “Adjustments*” column.
8. Select the “**LEA MOE Calc**” Tab.
 - a. Go to SECTION 1.
 - i. Did the LEA have any exempt reductions? If so, complete the “Exempt Reductions” worksheet.
 - ii. Apply those reductions in the worksheet in the “State and Local” and/or the “Local Only” column in this section, as appropriate.
 - b. Go to SECTION 2.
 - i. Up to 50% of the increase in IDEA Part B Section 611 funding in the current year compared with the prior year may be used to reduce the required level of state and local expenditures.
 - ii. The option is available only for qualifying LEAs. Contact the Fresno County SELPA.

- c. Go to SECTION 3. There are two areas in this section:

Area A is titled “COMBINED STATE AND LOCAL EXPENDITURES METHOD.” The top area is numbered 1 and is focused on the State and Local Total test. The bottom area is numbered 2 and is focused on the State and Local Per Capita test.

- i. **Section 3-A-1** – Instructions for the State and Local Total test:

Under Column B, do the following:

1. Using the “SEMAI Data Sheet” sheet, find your LEA’s State and Local Total Comparison Year, which is the fiscal year that your LEA last passed this test. Enter the year in the box toward the top and under the words “Comparison Year” (i.e., 2016-17).
2. Using the “SEMAI Data Sheet” sheet, find the comparison year’s “State and Local Total Expenditure Amount.” Enter it on the line titled, “Expenditures paid from state and local sources.”
3. Enter the comparison year’s adjustments and/or restatements, or 0 if none. Remember to use a negative sign (-) or parenthesis to indicate a negative amount.

- ii. **Section 3-A-2** – Instructions for the State and Local Per Capita test:

Under Column B, do the following:

1. Using the “SEMAI Data Sheet” sheet, find your LEA’s State and Local Per Capita Comparison Year, which is the fiscal year that your LEA last passed this test. Enter the year in the box toward the top and under the words “Comparison Year” (i.e., 2011-12).
2. Using the “SEMAI Data Sheet” sheet, find the comparison year’s “State and Local Total Expenditures Amount.” Enter it on the line titled, “Expenditures paid from state and local sources.”
3. Enter the comparison year’s adjustments and/or restatements, or 0 if none. Remember to use a negative sign (-) or parenthesis to indicate a negative amount.
4. Using the “SEMAI Data Sheet” sheet, find the comparison year’s Unduplicated Pupil Count. Enter it on the line titled, “Special education unduplicated pupil count.”

4. Using the “SEMAI Data Sheet” sheet, find the comparison year’s Unduplicated Pupil Count. Enter it on the line title, “Special education unduplicated pupil count.”

9. Review the “LEA MOE Calc” form for accuracy. **Is there a positive number in Column C in any of the four tests?**

- a. If yes, the LEA met its MOE requirement. Congratulations. Consider trying to meet any of the other tests that were not met. You can do this by using any of the Section 1 reductions. This may help lower the threshold for that test in future years.
- b. If not, the LEA did not meet its MOE requirement and could incur a financial penalty. Please contact the Fresno County SELPA for assistance.

10. Enter the Contact Name, Telephone Number, Title, and E-mail Address.

11. Skip the “SELPA Projected” Tab. This is for the SELPA to complete.

12. Select the “**Ready to Review**” in the upper right corner of the page in SACS, then save.
