Participating local educational agencies (LEAs) included in the Special Education Local Plan Area (SELPA) local plan must be identified in Attachment I.

Special Education Local Plan Area—Local Plan Requirements

1. Describe the geographic service area covered by the local plan: [EC 56195.1(d); EC 56195.1(a)(1); EC 56211; EC 56212]

SELPA Regions and Participating Local Educational Agencies

The Fresno County SELPA includes all of the Local Educational Agencies, henceforth referred to as LEAs, within Fresno County with the exception of Fresno Unified and Clovis Unified School Districts, which are each a single district SELPA. Charter schools approved as LEAs within the Fresno County SELPA for the purposes of providing special education are also included, if applicable.

The Fresno County SELPA is a multi-district SELPA located in Fresno County. The Fresno County SELPA is divided into four regions with representation from the LEAs, in each region (See Appendix A). The SELPA membership consists of 29 school district LEAs and the Fresno County Superintendent of Schools, henceforth referred to as FCSS. There are approximately 10,500 students with disabilities enrolled in the member districts. The districts range in size from approximately 30 students in a secluded mountain location to a unified district with approximately 15,500 students. There are 10 elementary districts, 1 high school only district, 2 charter districts, and 16 unified districts. The LEAs are adjacent to Merced and Madera counties to the North, Mono and Inyo counties to the East, Kings and Tulare counties to the South, and Monterey and San Benito counties to the West. The Fresno County SELPA Office is located the Fresno County Superintendent of Schools building. These participating LEAs have joined in a cooperative effort and have agreed to provide for the coordinated delivery of programs and services to assure equal access to appropriate programs and services to students with disabilities who require special education and who reside in the service region.

Charter schools and charter LEA(s) may serve students residing outside of the geographic boundaries of the Fresno County SELPA in accordance with state law. The Fresno County Superintendent of Schools serves as the Administrative Unit (AU) for the Fresno County SELPA, accepting regionalized services and program specialist funds and the responsibilities that accompany them. The Funding Allocation Plan shall be adopted, and amended from time to time, by the Fresno County SELPA Superintendents' Governance Council ("SGC").

The Funding Allocation Plan shall be designed around core principles that include the following:

- (1) the acknowledgement that stability and predictability of funding are critically important,

The Member LEAs, along with the SELPA Administrator, shall ensure that the funds received from Part B of the IDEA will be expended in accordance with the applicable provisions of the IDEA. They will be used to supplement state, local, and other federal funds and not to supplant those funds. They will not be used to reduce the level of local funds and/or a combined level of local and state funds expended for the education of students with disabilities, except as provided in federal law and regulations.

Local Plan Annual Submission

Local Plan Section D: Annual Budget Plan

Projected special education budget funding, revenues, and expenditures by LEAs are specified in **Attachments II–V.** This includes supplemental aids and services provided to meet the needs of students with disabilities as defined by the Individuals with Disabilities Education Act (IDEA) who are placed in regular education classrooms and environments, and those who have been identified with low incidence disabilities who also receive special education services.

IMPORTANT: Adjustments to any year's apportionment must be received by the California Department of Education (CDE) from the SELPA prior to the end of the first fiscal year (FY) following the FY to be adjusted. The CDE will consider and adjust only the information and computational factors originally established during an eligible FY, if the CDE's review determines that they are correct. California *Education Code* (*EC*) Section 56048

Pursuant to *EC* Section 56195.1(2)(b)(3), each Local Plan must include the designation of an administrative entity to perform functions such as the receipt and distribution of funds. Any participating local educational agency (LEA) may perform these services. The administrative entity for a multiple LEA SELPA or an LEA that joined with a county office of education (COE) to form a SELPA, is typically identified as a responsible local agency or administrative unit. Whereas, the administrative entity for single LEA SELPA is identified as a responsible individual. Information related to the administrative entity must be included in Local Plan Section A: Contacts and Certifications.

Attachment I—Local Educational Agency Listing

Participating Local Educational Agency Identification

Enter the California Department of Education (CDE) issued county/district/school code (CDS) and the full name for each local educational agency (LEA) participating in the Local Plan. The LEA names will automatically populate the remaining attachments. Pursuant to California Education Code (EC) sections 56205(a)(12)(D)(iii) and 56195.1(b) and (c). SELPAs with one or more LEAs, or those who join with the county office of education (COE) to submit a Local Plan to the CDE for consideration of approval must include copies of joint powers agreements or contractual agreements, as appropriate.

In the table below, enter the CDE issued CDS code and the official name as listed in the California School Directory https://www.cde.ca.gov/SchoolDirectory/ for each COE, District, Joint Powers Authority (JPA), and SELPA participating in the Local Plan and receiving a special education funding allocation for services and programs provided to students with disabilities.

To Add or Delete Rows:

To add or delete table rows, select the "plus" or "minus" buttons bellow. Actions taken here will be automatically repeated for each of the tables in Attachments II through VI. Users must manually enter LEA information in Attachment VII.

LEA Membership Changes:

If an LEA was previously reported to the CDE in fiscal year 2021–22 or 2022–23 and there is a change in SELPA membership, **DO NOT DELETE** the entry. Instead, under the "LEA Status" column, select the drop-down menu and choose the applicable status option for the LEA membership change.

SELPA County/District/School Codes

- If a SELPA does not have a CDS code, then the associated fields should be left blank. NOTE: If a CDS code section begins with a "0," the zero will not appear in the user's entry.
- If a SELPA does not have a complete CDS code, then leave the associated district and school code blank.
- If a SELPA is not a charter LEA, then leave the associated charter code blank.

Attachment I-4 of 4 CDE Local Plan Annual Submission

Fiscal Year: 2024-25

Each SELPA must adhere to requirements for developing and reporting special education budget revenue and expenditures. The following excerpt is taken from California School Accounting Manual (CSAM): Procedure 755 Special Education on page 755-1 and included to assist the SELPA with completing Section D: Annual Budget Plan information for each LEA participating in the SELPA's Local Plan.

Special education budgets are complex and are of great interest to the public, both locally and statewide. EC Section 56205(b)(1) requires that a special education budget shall identify particular elements. Identification of the following elements is facilitated by the standardized account code structure (SACS):

- 1. Apportionment received by the LEA in accordance with the allocation plan adopted by the SELPA. (The apportionment is tracked in SACS in the resource field in combination with the revenue code in the object field.)
- 2. Administrative costs of the plan. (These costs are tracked in the function field.)
- 3. Costs of special education services to pupils with severe disabilities and low-incidence disabilities. (This population is identified by the goal field.)
- 4. Costs of special education services to pupils with nonsevere disabilities. (This population is identified by the goal field.)
- 5. Costs of supplemental aids and services provided to meet the individual needs of pupils placed in regular education classrooms and environments. (Costs of these aids and services are tracked in the function field.)
- 6. Costs of regionalized operations and services and direct instructional support by program specialists in accordance with Part 30, Chapter 7.2, Article 6, of the California EC, Program Specialists and Administration of Regionalized Operations and Services. (These costs are tracked in the goal field for regionalized operations and in the function field for instructional services.)
- 7. Use of property taxes allocated to the SELPA pursuant to EC Section 2572. (Property taxes allocated to the SELPA are tracked in the resource field and identified by a revenue code in the object field.)

Attachment VII—Special Education Local Plan Area Membership Transfers and Mergers (to and from the SELPA)

Educational programs and services already in operation may not be transferred to another LEA unless all provisions of EC Section 56207 have been met by the SELPA as demonstrated by the completion and submission of Attachment VII. The effective date of the transfer must not be prior to the July 1 of the second fiscal year after the date the sending or receiving SELPA informed the other agency and the governing body of multiple LEA SELPAs or the responsible individual of single LEA SELPAs notified the other agency, unless both the sending and receiving SELPA unanimously agree the transfer date will take effect on the July 1 of the first fiscal year following the notification date.
